

Chicken Letterfold

Age-Group: Pre-School / Primary School

Subjects: Languages / Art

Model-Source: Unknown

Method: Teach the children to fold the letter. Let each child colour in and cut out an egg-shape. You might use a cardboard stencil for the egg-shape. Careful that the shape is sized such that it fits into the envelope.

How to use: The envelope might be used to present an Easter gift to parents. Older children might write an Easter message or poem...
